Miss Betsy Portrait of a Lady Card Class \$45 Friday 1.30pm - 4.30pm

Join one of NZ's finest cardmakers and create 6 ladylike cards with Graphic 45's new collection.

Betsy and a helper will be teaming up to help you complete at least 3 of the fancy cards during class. Most of the die-cutting will be done for you so you can maximise your time in class and you'll come away with some new template ideas too.

We encourage experienced cardmakers to join Betsy's class, but if you're a brave newbie and you know how to use a ruler, cutting knives, templates and scoring tools with ease, then you're welcome to join us.

Mixed Media Clock Class \$59 with Liz Gregory Friday 5.15pm - 8.15pm

Always wanted to create a masterpiece with crafty gunk and goop? Then join Liz Gregory as she encourages you to get your hands dirty with Prima's Fynnabair products and Tim Holtz's Altered Clock. We'll be using rust pastes, sculpture medium, gessos, beads, mica powders, trinkets and more. You'll get to select your own colours and the image provided shows some snapshots of a black-based and white-based clocks

A Taste of Turquoise Cards \$45 with Liz Gregory Saturday 2.30pm -4.30pm

Get busy with the new Tim Holtz Distress Oxide Inks, Sparks Paints, Artisan Powders, Prima Patina Effects, Lindy Magical Shakers, Alcohol Inks, Distress Stains and more during this class. You'll get all the backgrounds completed for 8 cards and a FREE set of stamps. This class is going to be fabulous for people who want to know how to use all the amazing product that is on the market. You'll be up and moving around for most of the class, so come ready for some action!

Twist and Pop Mini Album \$55 Sunday 1pm

This eye-popping album will impress any recipient! Open the pages to reveal panels which twist and pop out to showcase your photos. We'll get 80% of the album completed during class, and you'll just have to add photos and embellishments later. This album gives you all the product you need to create either the feminine or the masculine albums shown - the papers are so versatile!
