SCRAPBOOKING LAYOUTS	SCRAPBOOKING LAYOUTS

Booking information is listed in the programmes under each class. Some classes will have limited numbers of kits due to shortage of product and so to be fair to other VIPS wanting to attend classes in person, you can only book one class per session. But if you want to reserve a kit for another class in that session, the providers may be able to put you on the waiting list, so contact the provider by email. These kits will be able to be collected at SENZ after the class. The technique-type classes will not be available to be sold as Kits as they involve using shared products and materials with only limited typed instructions. Please note the classes are non-refundable so please choose carefully. Bring Lists will be emailed out once you have booked in. The Basic Bring Lists are on the SENZ website.
